Nishi-ku, Osaka 550
Tel: (06) 445-0881

USER'S GUIDE

Each index entry consists of the following: a heading; a subheading where necessary; the headline; the date, the page number; and indication of whether a photo or illustration (il) appears.
The index heading describes the subject of the article or a keyword from the article or headline. When the headline does not clarify the subject of the article, a term or phrase describing the subject may be added after the headline.

Abbreviation of months:

Ja........ January	**Jl......... July**
F.......... February	**Ag....... August**
Mr........ March	**S.......... September**
Ap....... April	**O......... October**
My....... May	**N.......... November**
Je........ June	**D.......... December**
